Endeavor Health is a member of the **Healthcare Anchor Network**, a collaborative of hospital systems committed to increase local, inclusive hiring; local, inclusive procurement and other strategies that mutually benefit the communities we serve and the health of our patients.

2024 Total Evanston Hospital Community Benefit

$122.3M

Endeavor Health Evanston Hospital is committed to fulfilling our mission of helping everyone in our communities be their best and as a non-profit providing invaluable charitable and community services for those we are privileged to serve
Our hospital is an economic engine for the local economy:

- More than **$2 billion** contributed by Evanston Hospital to the local economy through payroll, capital and other expenses.*
- More than **7,400 direct and indirect full-time jobs,** including 3,900+ directly at Evanston Hospital, many of whom live, shop, spend and volunteer in the local community.*

*Economic impact based on 2024 data applied to the Regional Input-Output Modeling System II developed by the U.S. Bureau of Economic Analysis.

Community Investment Fund

The Community Investment Fund is a dedicated resource aimed at fostering health and wellness, addressing social determinants of health and creating equitable access to quality healthcare within our community. By strategically allocating these funds, we support local initiatives, partnerships and non-profit organizations that respond to priority community health needs.
In addition to financial support, we serve as a convener for community organizations, fostering a collaborative environment where the collective impact of our partnerships is greater than the sum of their parts.
