Endeavor Health is a member of the **Healthcare Anchor Network**, a collaborative of hospital systems committed to increase local, inclusive hiring; local, inclusive procurement and other strategies that mutually benefit the communities we serve and the health of our patients.

2024 Total Elmhurst Hospital Community Benefit

$71.5M

Endeavor Health Elmhurst Hospital is committed to fulfilling our mission of helping everyone in our communities be their best and as a non-profit providing invaluable charitable and community services for those we are privileged to serve
Our hospital is an economic engine for the local economy:

- More than **$1.2 billion** contributed by Elmhurst Hospital to the local economy through payroll, capital and other expenses.*
- More than **5,400 direct and indirect full-time jobs,** including 3,050+ directly at Elmhurst Hospital, many of whom live, shop, spend and volunteer in the local community.*

*Economic impact based on 2024 data applied to the Regional Input-Output Modeling System II developed by the U.S. Bureau of Economic Analysis.

Community Investment Fund

The Community Investment Fund is a dedicated resource aimed at fostering health and wellness, addressing social determinants of health and creating equitable access to quality healthcare within our community. By strategically allocating these funds, we support local initiatives, partnerships and non-profit organizations that respond to priority community health needs.
In addition to financial support, we serve as a convener for community organizations, fostering a collaborative environment where the collective impact of our partnerships is greater than the sum of their parts.

Additional Community Programs

The **Endeavor Health Diabetes Centers** are one component of a comprehensive strategy to address diabetes care for community members by providing education on required skills deemed essential for appropriate diabetic management. Internal data revealed racial and ethnic disparities associated with the prevalence of diabetes across certain geographies. A pilot program was launched in Addison which embeds a diabetic educator and utilizes a diabetes equity navigator aimed to identify patients and further improve diabetic-related health outcomes.

Young Hearts for Life is the largest youth cardiac detection program in the United States aimed at preventing sudden cardiac death among young people. Endeavor Health's years-long partnership with Young Hearts for Life has facilitated crucial cardiac screenings in high schools in our communities. Endeavor Health's support enabled more than 10,000 screenings at 11 schools in 2023, resulting in the identification of nearly 100 students with heart conditions.

Endeavor Health is a proud sponsor and supporter of the **DuPage Health Coalition**, whose mission is to develop and sustain a system for managing the health of low-income and medically vulnerable residents of DuPage County. With support from the Endeavor Health Community Investment Fund, the DuPage Health Coalition has assisted 840+ individuals with 1,850+medical claims, totaling $3.7M in medical debt relief.
