Endeavor Health
Highland Park Hospital

endeavorhealth.org

- Highland Park Hospital is the Regional Hospital Coordinating Center for the Illinois Department of Health Emergency Medical Services Region 10.
- Site of the first open-heart surgery in Lake County.
- Highland Park Hospital's state-of-the-art Family Birthing Center enables birthing patients to labor, deliver, recover and complete their postpartum period on the same floor. This optimized patient experience promotes continuity of care and ensures patients are supported by a consistent care team throughout their stay.
- Renovated and expanded inpatient Adolescent and Young Adult Behavioral Health wing expands access to behavioral health services.
- Highland Park, Evanston, Glenbrook and Skokie Hospitals are the primary teaching affiliate of the University of Chicago Pritzker School of Medicine.

Endeavor Health is a member of the **Healthcare Anchor Network**, a collaborative of hospital systems committed to increase local, inclusive hiring; local, inclusive procurement and other strategies that mutually benefit the communities we serve and the health of our patients.

2024 Total Highland Park Hospital Community Benefit

$47.9M

Endeavor Health Highland Park Hospital is committed to fulfilling our mission of helping everyone in our communities be their best and as a non-profit providing invaluable charitable and community services for those we are privileged to serve Our hospital is an economic engine for the local economy:

- Nearly **$842 million** contributed by Highland Park Hospital to the local economy through payroll, capital and other expenses.*
- Nearly **3,100 direct and indirect full-time jobs,** including 1,100+ directly at Highland Park Hospital, many of whom live, shop, spend and volunteer in the local community.*

*Economic impact based on 2024 data applied to the Regional Input-Output Modeling System II developed by the U.S. Bureau of Economic Analysis.

Community Investment Fund

The Community Investment Fund is a dedicated resource aimed at fostering health and wellness, addressing social determinants of health and creating equitable access to quality healthcare within our community. By strategically allocating these funds, we support local initiatives, partnerships and non-profit organizations that respond to priority community health needs. In addition to financial support, we serve as a convener for community organizations, fostering a collaborative environment where the collective impact of our partnerships is greater than the sum of their parts.

Additional Community Programs

Erie HealthReach Waukegan formed a partnership with Endeavor Health to move their small hospital delivery team to Highland Park for the care of their high risk pregnancy patients. The partnership aligns both organizations' mission to provide community-focused, high-quality and affordable care with access to a team of OB/GYN physicians delivering 24/7 care at Highland Park Hospital's Labor, Delivery and Postpartum unit. Within the first year of this partnership, 314 expectant mothers from Erie HealthReach Waukegan delivered 316 infants.

In 2024, **Endeavor Health's Medication Assistance Program (MAP)**, which offers aid to patients who need help paying for prescription drugs, assisted 1,736 patients, filling 21,507 prescriptions valued at a cost of $762,881.

Highland Park Hospital provides hot supper donations to **Catholic Charities** in Highwood three times each year.

The **Perinatal Family Support Center** provides a wide array of services free of charge to women and their families who experienced challenges related to pregnancy, birth, prematurity or perinatal loss. Services are provided in both inpatient and outpatient settings and include groups, sibling tours and a literacy program. The Perinatal Family Support Center responded to more than 1,500 referrals in FY24.
