Community Investment Fund

The Community Investment Fund is a dedicated resource aimed at fostering health and wellness, addressing social determinants of health and creating equitable access to quality healthcare within our community. By strategically allocating these funds, we support local initiatives, partnerships and non-profit organizations that respond to priority community health needs.
In addition to financial support, we serve as a convener for community organizations, fostering a collaborative environment where the collective impact of our partnerships is greater than the sum of their parts.

Additional Community Programs

Endeavor Health's support for the **Village of Skokie Farmers Market** helps connect low-income consumers (LINK card holders) with fresh local produce. Endeavor Health matches LINK card purchases at Farmers Markets dollar-for-dollar for the purchase of fresh produce.

Endeavor Health provides financial support to **CJE Senior Life's transportation services.** This service provides reliable transit to and from medical appointments. By helping to remove transportation barriers, we aim to support the health, safety and independence of older adults in our community.

In 2024, **Endeavor Health's Medication Assistance Program (MAP)**, which offers aid to patients who need help paying for prescription drugs, assisted 1,736 patients, filling 21,507 prescriptions valued at a cost of $762,881.

Annually, our system provides primary, mental and dental care services to over 2,800 Erie Evanston/Skokie Health Center under and uninsured clients.
