Glenbrook Hospital

endeavorhealth.org

- The Endeavor Health Cardiovascular Institute at Glenbrook Hospital, opened in May 2024, is setting a new standard in heart care, offering a regional destination for advanced cardiovascular care from diagnosis to rehabilitation.
- During the COVID-19 pandemic Glenbrook became the COVID specialty hospital for the NorthShore system for two years.
- The communities Glenbrook serves have the highest concentration of long-term care facilities in the Endeavor Health service area. We are proud of our ability to deliver sensitive and specialized care to the older adult population.
- Glenbrook has been named a Leapfrog Top Teaching Hospital, placing it among an elite group of hospitals recognized nationally for outstanding performance for patient safety and quality.
- Glenbrook, Evanston, Highland Park and Skokie Hospitals are the primary teaching affiliate of the University of Chicago Pritzker School of Medicine.

Endeavor Health Glenbrook Hospital is committed to fulfilling our mission of helping everyone in our communities be their best and as a non-profit providing invaluable charitable and community services for those we are privileged to serve. Our hospital is an economic engine for the local economy:

- More than **\$897 million** contributed by Glenbrook Hospital to the local economy through payroll, capital and other expenses.*
- Nearly **3,300 direct and indirect full-time jobs**, including 1,750+ directly at Glenbrook Hospital, many of whom live, shop, spend and volunteer in the local community.*

*Economic impact based on 2024 data applied to the Regional Input-Output Modeling System II developed by the U.S. Bureau of Economic Analysis.

Community Investment Fund

The Community Investment Fund is a dedicated resource aimed at fostering health and wellness, addressing social determinants of health and creating equitable access to quality healthcare within our community. By strategically allocating these funds, we support local initiatives, partnerships and non-profit organizations that respond to priority community health needs. In addition to financial support, we serve as a convener for community organizations, fostering a collaborative environment where the collective impact of our partnerships is greater than the sum of their parts.
