## Additional Community Programs

- Erie HealthReach Waukegan formed a partnership with Endeavor Health to move their small hospital delivery team to Highland Park for the care of their high risk pregnancy patients. The partnership aligns both organizations' mission to provide community-focused, high-quality and affordable care with access to a team of OB/GYN physicians delivering 24/7 care at Highland Park Hospital's Labor, Delivery and Postpartum unit. Within the first year of this partnership, 314 expectant mothers from Erie HealthReach Waukegan delivered 316 infants.

- In 2023, Endeavor Health's Medication Assistance Program (MAP), which offers aid to patients who need help paying for prescription drugs, assisted 1,751 patients, filling 21,097 prescriptions valued at a cost of \$917,497.
- Endeavor Health, in collaboration with Josselyn, has provided Mental Health First Aid (MHFA) to more than 600 community responders, as well as trainings focused on underrepresented/underresourced populations and community organizations. 16 instructors have been trained and provided with wraparound support to enable them to train other community responders.

## Community Investment Fund

The Community Investment Fund is a dedicated resource aimed at fostering health and wellness, addressing social determinants of health and creating equitable access to quality healthcare within our community. By strategically allocating these funds, we support local initiatives, partnerships and non-profit organizations that respond to priority community health needs. In addition to financial support, we serve as a convener for community organizations, fostering a collaborative environment where the collective impact of our partnerships is greater than the sum of their parts.
