

Open Interview Day

Experienced professionals and new graduates are invited to meet with the Endeavor Health recruitment team to discuss available career opportunities including those listed below.

Edward-Elmhurst Health (EEH), NorthShore University HealthSystem, Swedish Hospital and Northwest Community Healthcare have united under one name: Endeavor Health. Together, we're committed to setting a new standard for healthcare by delivering a truly personal patient experience combined with convenient access to pioneering, world-class care.

We are driven by the commitment — our endeavor — to set a new standard for healthcare by delivering a truly personal patient experience combined with seamless access to pioneering, world-class care. [Join us.](#)
