

## Open Interview Day for South Region (Edward Hospital, Elmhurst Hospital, and Linden Oaks Behavioral Health)

Experienced professionals and new graduates are invited to meet with the Endeavor Health South Region (Edward Hospital, Elmhurst Hospital, and Linden Oaks Behavioral Health) recruitment team to discuss available career opportunities including those listed below.

Edward-Elmhurst Health (EEH), NorthShore University HealthSystem, Swedish Hospital and Northwest Community Healthcare have united under one name: Endeavor Health. Together, we're committed to setting a new standard for healthcare by delivering a truly personal patient experience combined with convenient access to pioneering, world-class care.

We are driven by the commitment – our endeavor – to set a new standard for healthcare by delivering a truly personal patient experience combined with seamless access to pioneering, world-class care. [Join us.](#)
